<i>Exemplary or adequate is required for each standard for the IPDP to be approved. Any standard indicating Needs Revision will be returned to the educator for correction. You can type in your answers right under each standard then print it and send it to the MLPDC at the BOE.</i>	
Standard 1: State how your Professional Development aligns with school and district priorities. Include a continuous process of planning, implementing, reflection and evaluation. Include a variety of activities and resources.	
Standard 2: State how you analyze and use multiple sources of student data. Show evidence of the use of data. Use current research to inform PD content and process. Indicate how prior PD will be used to plan future PD.	
Standard 3: Include opportunities for collaboration. Include participation in learning community for specified educational outcome. Include ongoing use of communication strategies, including technology, to broaden collaboration.	

Standard 4: How does your PD meet your needs? Include a variety of learning experiences that are logically sequenced and match with goals. PD addresses your knowledge, strengths and weaknesses.

Standard 5: Show evidence of new skills applied to practice. How do you use summative data to assess PD? Show how PD impacts student achievement by examining PD implementation and evidence of the use of new knowledge and skills.

Standard 6: Show how PD aligns to state and/or national standards and/or district curriculum priorities. Include evidence of best practices to advance educator learning. How PD advances ability to use instructional practices to meet the needs of diverse learners. How PD promotes use of varied assessments. How PD reflects and application of new knowledge and skills to engage students and families in the learning process.

Goals: Using your answers to the standards above, comprise 3 goals you would like to accomplish before you renew your license again.
